

ISFUROS 2017 - 2nd International Symposium on Fuzzy and Rough Sets (ISFUROS '17)

Date2017-10-24 - 2017-10-26

Deadline2017-05-15

VenueSanta Maria Key, Villa Clara, Cuba

<http://conference.researchbib.com/view/event/65851>

Papers must be written in English and submitted in PDF format. Authors must adhere to Springer LNCS guidelines using either Microsoft Word or LaTeX templates. The papers must have a maximum of nine (9) pages. Up to two (2) extra pages can be purchased at 100 CUC each.

All submissions will be reviewed by at least three (3) Technical Program Committee members. Submissions must be identified as either research or application papers and will be reviewed using appropriate criteria.

Review criteria for research papers will include scientific significance, originality, technical quality, and clarity. Review criteria for application papers will include practical or economic significance, adoption potential, technical quality, and clarity.
