

This project has received funding from the European Union's Horizon 2020 research and innovation programme under Grant Agreement No 814761

## D9.2

# Prototype of project's website

**Safe tolerance zone calculation and interventions  
for driver-vehicle-environment interactions  
under challenging conditions**

**i  DREAMS**

## Project identification

<b>Grant Agreement No</b>	814761
<b>Acronym</b>	i-DREAMS
<b>Project Title</b>	Safety tolerance zone calculation and interventions for driver-vehicle-environment interactions under challenging conditions
<b>Start Date</b>	01/05/2019
<b>End-Date</b>	30/04/2022
<b>Project URL</b>	<a href="http://www.idreamsproject.eu">www.idreamsproject.eu</a>

## Document summary

<b>Deliverable No</b>	D9.2
<b>Deliverable Title</b>	Prototype op project's website
<b>Work Package</b>	WP9
<b>Contractual due date</b>	31/10/2019
<b>Actual submission date</b>	28/10/2019
<b>Nature</b>	Websites, patents filling, etc.
<b>Dissemination level</b>	Public
<b>Lead Beneficiary</b>	UHASSELT
<b>Responsible Author</b>	Lien Aerts
<b>Contributions from</b>	Edith Donders, Tom Brijs

## Revision history (including peer review & quality control)

Version	Issue date	% Complete <sup>1</sup>	Changes	Contributor(s)
V1.0	28/10/2019	100%	Deliverable structure	Lien Aerts (UHASSELT)
V1.1	28/10/2019	100%	Deliverable structure approval after internal review	Tom Brijs, Edith Donders (UHASSELT)

## i-DREAMS project website

This document provides evidence about the publication date of the i-DREAMS project website.

The project website, [www.idreamsproject.eu](http://www.idreamsproject.eu), was published online on 13 May 2019 and was officially launched at the project's kick-off meeting on 22-23 May 2019 in Hasselt. The website will remain online up to five years after the project end date. The website is designed, hosted and maintained by Hasselt University and serves as the central medium containing up-to-date project information at all times.

The website provides general information about i-DREAMS, its aims and output, project updates and information about the consortium partners. Documents such as public deliverables, (open access) publications and newsletters are published online. An up-to-date calendar providing an overview of upcoming project events and activities, as well as links to related projects and networks can be found on the website. A news section called "Insights on i-DREAMS" is integrated in the site to inform visitors about relevant news and ongoing developments. These "insights" can be easily shared via Facebook, Twitter and LinkedIn. In maintaining the website, special attention goes out to SEO (Search Engine Optimization). This means that the content of the website is optimized in function of the most frequently used keywords. To obtain a good insight into the most frequently used keywords, the number of (unique) visitors, when the website is visited the most and the way those visitors land on the website, Google Analytics is used.

A screenshot of the WordPress back-end system is provided on the next page. In the upper right corner the publication date of the website is depicted: **May 13, 2019 12:18 pm**.
