

UHasselt invites you to their upcoming

Webinar

The role of SOLID technology in healthcare

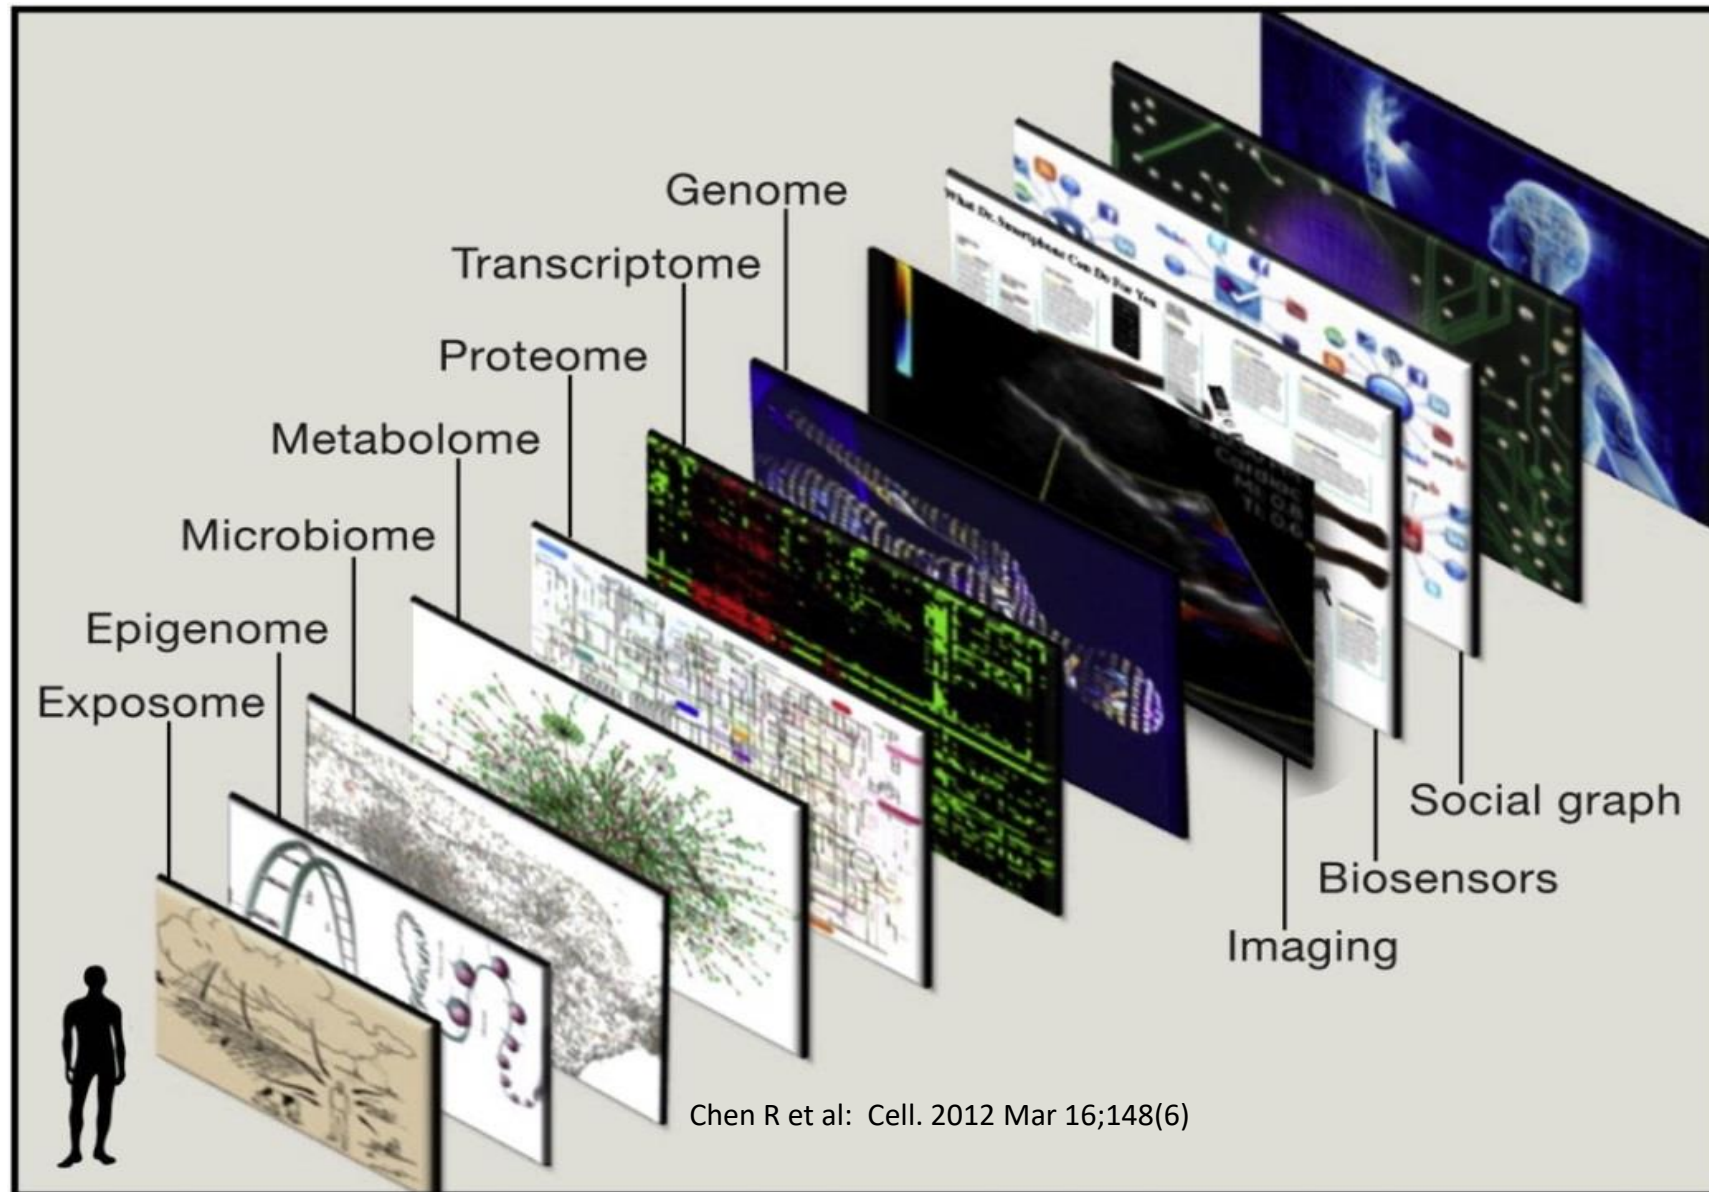

Date - Tuesday, 4 February 2025

Meeting link - meet.google.com/ift-kipc-cyh

Time - 19:00-20:30

19:10 - What is SOLID and why should you care? (by Jef Hooyberghs - [UHasselt](#) )

History told us some principles

- Principle of *benevolence*
- Principle of *decentralisation*
- Principle of *mutuality*

MyData

<https://mydata.org/>

API ecosystem model

Personal control but low integration.

Platform model

Integration but low personal control.

MyData operator model

Highly integrated with full personal control.

“FIXING THE WEB”
